Page 13 – Exhibitor Directory

HYSpex #125

Prost Stabels Vei 22, Skedsmokorset, 2019, Norway + 47 40 00 18 58; Fax 47 67 97 49 00; hyspexsales@neo.com; <http://www.hyspex.no> Norsk Elektro Optikk (NEO) was established in 1985 as a privately owned research oriented company within the field of electro optics. NEO has grown to be the largest independent research and development organization in electro optics in Norway, and has in addition established itself as a manufacturer of advanced electro optical products for an international market. HySpex, NEO's line of hyperspectral cameras, are compact, high performance and versatile instruments for a multitude of applications, ranging from airborne to laboratory and industrial use of imaging spectroscopy.
